ARJUN RAMPHAL

IT ENTHUSIAST | STUDENT (HONOURS)

DURBAN, SOUTH AFRICA / +27 81 020 6224 / ARJUUNRAMPHAL@GMAIL.COM
LINKEDIN: @ARJUN RAMPHAL

PERSONAL STATEMENT

Insightful Computer Science Honours student who enjoys solving problems and building software.
My commitment to excellence is reflected in my academic record, which includes top grades in core subjects and recognition of my performance through awards and commendations.
My goal is to leverage my expertise in computer science to contribute to impactful projects that address real-world challenges. I am excited about the prospect of working in dynamic and forward-thinking environments where I can collaborate with like-minded individuals and continue to grow both personally and professionally.
An enthusiast who enjoys programming, studying toward a BSc Honours (Computer Science) is a natural progression from student to real-world problem solver and innovator.

PROGRAMMING EXPERIENCE: Python, Delphi, C++, C#, Visual Basic, Java, SQL

EDUCATION

B Sc Computer Science (Honours) — February 2026 – Current
University of KwaZulu-Natal, Durban

Key Achievement(s): Scholarship Award	Image Processing and Computer Vision, Artificial Intelligence, Optimization and Modelling, Ontologies and Knowledge Bases, Contemporary Topics in Computer Science, Machine Learning, Honours Project

B Sc Computer Science (***Summa Cum Laude***) — February 2023 – December 2025
University of KwaZulu-Natal, Durban

Equivalent: 81.4% grade average / 3.6 /4.0 GPA [USA] / First Class (70+) [UK] / Distinction [Australia]

Key Achievement(s): First Class passes; Above 70% average; Dean's Commendation, Scholarship Award	**Year 3**: Computer Systems (84), Advanced Programming (74), Applied Systems Implementation 1 (82), Advanced Systems Analysis and Design (86), Artificial Intelligence (86), Theory of Computation (77), Networking and Database Management (80), Applied Systems Implementation 2 (91)

Key Achievement(s):	**Year 2**: Object-Oriented Programming (80), Systems Analysis and Design (85), Discrete Mathematics with Applications (88), Data Structures (82), Computer Organisation and Architecture (69), Databases and Programming (94), Statistics (85), Economics (79)
First Class passes; Above 70% average; Dean's Commendation	

Key Achievement(s):	**Year 1**: Intro Computer Science (89), Calculus (61), Statistics (89), isiZulu (75), Computer Programming (88), Foundations of Computer Science (84), Development and Applications Fundamentals (87), Calculus and Linear Algebra (57)
First Class passes; Above 70% average; Dean's Commendation, Certificate of Merit; Golden Key International Honour Society Member	

Grade 12 Matriculation (Bachelor Pass) January 2018 – December 2022

Durban High School, Durban

Key Achievement(s):	Subjects: English HL (72), Afrikaans FAL (78), Mathematics (72), Physical Science (74),Engineering Graphics and Design (GRDS) (77), Information Technology (93)
Information Technology Subject Award & Prize, A Aggregate Award	

HOBBIES & INTERESTS

I enjoy a balance of technical and outdoor interests. Academically, I have a strong curiosity for emerging technologies—particularly cybersecurity, encryption, and artificial intelligence, with a growing interest in the capabilities and design of large language models.

Outside of my studies, I enjoy hiking with family during summer breaks, exploring nature, and spending time at the beach. I also enjoy reading widely, playing chess, and engaging in creative hobbies such as watching and analysing anime.

I have participated in cricket, squash, and school leadership camps, and I support community initiatives such as local library volunteering and beach clean-ups.
